

SOUTHWEST HEALTHCARE SERVICES

Bowman, North Dakota | Hospital and Clinic Radiology Services

IMAGING CAREER OPPORTUNITY

RADIOLOGY TECHNOLOGIST CT TECHNOLOGIST

HOURLY RANGE

\$28.00-\$40.00

FULL-TIME | FLEXIBLE DAYS

\$20,000 SIGN-ON BONUS + RELOCATION ASSISTANCE

CT experience is preferred, but training is available for the right candidate.

THE OPPORTUNITY

Southwest Healthcare Services is seeking a motivated Radiology and CT Technologist to join its imaging team. This full-time position offers flexible day shifts across the hospital and clinic, with scheduled on-call responsibilities for evenings, weekends, and holidays.

KEY RESPONSIBILITIES

- Perform diagnostic-quality radiographic and computed tomography examinations.
- Position patients accurately and operate imaging equipment according to provider orders and technical specifications.
- Apply radiation-safety standards and proper protection practices during all imaging procedures.
- Produce high-quality CT images while exercising sound professional judgment.
- Educate and support patients before, during, and after procedures; initiate life-support measures when necessary.
- Respond reliably to emergencies during scheduled on-call shifts.
- Collaborate with providers, nurses, and ancillary staff across hospital, clinic, outpatient, and emergency settings.

A SUPPORTIVE IMAGING ENVIRONMENT

Build broad clinical experience caring for patients of all ages while benefiting from continuing education and a collaborative multidisciplinary team.

QUALIFICATIONS

- ARRT-accepted educational program
- Current ND MIRT Board licensure
- ARRT certification or exam eligibility
- CT experience preferred

POSITION HIGHLIGHTS

- Full-time, flexible day shifts
- Hospital and clinic coverage
- Scheduled on-call rotation
- \$20,000 sign-on bonus
- Relocation assistance

WHY BOWMAN?
